The list is limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events. This letter serves as my report for the second semester of the 2022-23 school year, which is based on documentation provided by building administrators.

At Indian Lake Middle School, there was 2 incidents that fell under the category of "verified threatening behavior or harassment" during the second semester of 2022-23.

At Indian Lake High School, there were 4 incidents that fell under the category of "verified threatening behavior or harassment" during the second semester of 2022-23.

Sincerely,
