**This summer Numerade is offering completely free** online camps designed to help students prep for the exact courses they'll be taking in the coming school year & beyond. Our organization is dedicated to closing the educational opportunity gap, and we're eager to help students through free and valuable opportunities.

Instructed by our experienced team of PhDs and college professors, we have ten unique 8-week camps covering a variety of STEM subjects including...

CAMP SESSION OPTIONS:

1. [Precalculus](#)
2. [Calc 101/AB](#)
3. [Calc 102/BC](#)
4. [Calc 103](#)
5. [Physics 101 - Mechanics](#)
6. [Physics 102 - Electricity & Magnetism](#)
7. [Physics 103 - Waves and Quantum Mechanics](#)
8. [Chemistry 101](#)
9. [Chemistry 102](#)

If you could pass along this information to students and parents, we'd greatly appreciate it. Again we're offering these courses completely free. Here is where to register: [Numerade Summer Camp Registration](#)
