

## **Indian Lake Schools**

### **Public Bus Stop Locations 2023/2024**

As a courtesy, students who are open enrolled into Indian Lake Schools are permitted one bus stop location within the district per school year. This one stop will be the only stop students may ride to and/or from and will not be changed for the duration of the school year. Poor behavior on the bus may result in this courtesy being revoked.

The district offers two public stop location options to our open enrollment families. Should neither of these locations fit your needs, you will be responsible for choosing another location within the district that is on a current bus route, and for getting permission from the residents to use this stop.

After you've chosen a stop location, please complete the bus stop request form. Your child's school has these forms available.

This map indicates the only public stop locations.

Stop 1 is at the corner of Township Road 218 & Shawver Street. The approximate stop times are 6:40/3:55

Stop 2 is on Turkeyfoot Road/TR 293 at a graveled area near Logan's Landing Campground. The approximate stop times are 7:00/3:35

Detailed maps are on the following page.
